

# Save 5-10% on MetLife Vision and Dental Plans

## What You See Will Make You Smile.

Our My Benefit Advisor (MBA) program gives members access to exclusive vision and dental plans from MetLife. Our experts can advise you on the latest market trends, research, and best practices to customize your benefits program. As one of the largest providers of vision and dental plans, MetLife insures over 100 million customers worldwide.

## Benefits Beyond Face Value

MetLife delivers cost-effective plans with flexible coverage to give your employees more options, increase employee satisfaction, and promote company loyalty. The online directory allows employees to locate and compare thousands of doctors and specialists.

### Vision

#### The Difference is Clear

- Low out-of-pocket expenses
- Large network of ophthalmologists, optometrists, and opticians
- Savings on prescriptions, lenses, and frames
- Family coverage of annual eye exams

### Dental

#### Examine Your Savings

- 100% coverage for preventative care
- Protection against unexpected costs
- Long-term maintenance for all ages
- Discounts on in-network dentists and specialists
